Subject: December 2005 Inventory of Registered Degree and Certificate Programs

For your information I am providing the December 2005 edition of the Inventory of Registered Degree and Certificate Programs. This edition reflects changes made between December 23, 2004 and December 21, 2005.

The Inventory is the State Education Department's official list of all approved degree and certificate programs and all approved programs leading to teacher certification and professional licensure in New York State. This list is used for informational purposes by educational institutions and by the State Education Department's credentialing units, including professional licensing and teacher certification. The list is also used by the Higher Education Services Corporation and the Office of the State Comptroller in their administration and oversight of State student financial aid programs and by the U.S. Department of Education in its administration and oversight of federal student aid programs.

Please review this list for accuracy. If there are any inaccuracies or needed updates, please contact the Office of College and University Evaluation, Education Building, 5<sup>th</sup> Floor North Mezzanine, 89 Washington Avenue, Albany, New York 12234; telephone number (518) 474-2593; or fax (518) 486-2779.
