**NYSED-2: CERTIFICATION OF EARNED DEGREES CONFERRED,
July 1, 2004 - June 30, 2005**

The NYSED-2 degree-reporting form, "*Certification of Earned Degrees Conferred, July 1, 2004-June 30, 2005*," must be completed by each institution receiving or applying for State Aid under Section 6401 of the Education Law (Bundy Aid.) This form is used to calculate the payments due to the institutions during the academic year following the conferral of the degrees. A complete list of Bundy Aid reporting requirements is on page 8, Attachment 2.

GENERAL INSTRUCTIONS

Line 1: All institutions awarding Associate Degrees should use this line.

Lines 2 through 21: Use the *Rules of the Board of Regents, Section 3.54*, to define the "Degree Category" or rate of Bundy Aid to ascertain which degrees should be entered on each line. The figures entered in the Total Number of Earned Degrees column must match those reported on the federal form IPEDS-C, "Completions Survey." **Degrees completed prior to July 1, 2004, but conferred during the current period should be reported in the appropriate columns identifying, "Retroactive" dates.**

Special Notes

- Interpretation and current practice of Education Law §6401, which governs the Bundy program, allows payments only for degrees awarded from New York State registered programs located in the State. Degrees awarded through approved external degree programs are also excluded from payment.
- **Line 3** (M.A., M.S., M.B.A., etc.): This line should be used for reporting all master's degrees **not listed on lines 4, 5, and 6.**
- "An Earned Master of Philosophy [M Phil]. . . shall not constitute a separate degree" for the purpose of this Section (Section 3.54(e) of the Rules of the Board of Regents).
- **Line 17** (Ph.D., Ed.D., etc.): This line should be used for reporting all doctoral degrees exclusive of first-professional degrees and degrees listed on lines 18 and 19.
- **Audited Financial Statement:** An annual certified audit report must be submitted by institutions participating in the Bundy Aid Program in order to fulfill the program reporting requirements. This requirement is satisfied by the two copies of your institution's

statement sent to Joseph Frey, Assistant Commissioner of Quality Assurance fulfilling the HEDS form request for F.AUDIT, Audited Financial Statement (by the date your audit schedule specifies, NOT the NYSED-2 due date).

- Conferral Date: The date on which the faculty votes (or such equivalent formal institutional action) to confer the degree.
- Completion Date: The date on which work required for the degree was completed.

Multi-Campus Institutions

Multi-campus institutions are required to submit a separate “Certification of Earned Degrees” (NYSED-2) form, for each official branch campus so that it will be possible to check these forms against other data, i.e. the number of degrees awarded as reported on the IPEDS-C form. The Department will combine multi-campus totals to calculate a total entitlement for Bundy Aid payments:

- Examples: ➔ *Long Island University*: Brentwood, Brooklyn, C.W. Post, New York University, Rockland, Southampton, and Westchester.
- ➔ *Pace University*: New York, Pleasantville, and White Plains
- ➔ *Cornell University* (Endowed) and Cornell Medical College

Exclusions for Statutory Colleges

The degrees awarded by the Statutory Colleges located at Cornell University and Alfred University should NOT be included in the figures reported for these institutions. These exclusions will result in making the figures comparable to those reported on the IPEDS-C, “Completions Survey” form.

Please include in a separate memorandum a statement of the number and level of degrees awarded by each of the Statutory Colleges.

Additional Data Submission Requirement

In addition to submitting the “*Certification of Earned Degrees Conferred*” survey form, it is also required that each institution submit a corresponding list of all recipients of degrees conferred during the period July 1, 2004 to June 30, 2005, as reported on the form. This required list should include each degree recipient's name, level of degree, and conferral date. **If the recipient completed the degree requirements prior to the current conferral period (i.e. retroactively), the completion date must be specified in order to determine the appropriate payment rate.**

To permit clear identification of levels and categories of degrees by Bundy Aid payment category, the data should:

- **be organized by degree level (e.g., M.B.A, J.D., Ph.D. etc.);**
- **be consecutively numbered and sorted by (1) completion date (2) name, and (3) conferral date within each degree level;**
- **match the number of degree recipients with the students reported on the NYSED-2 form. It is absolutely necessary that the list of degree recipients exactly match the number of degrees certified on the NYSED-2 form.**

Retroactive degrees--Degrees in which the recipient previously completed the degree requirements, but the degree was conferred during the current reporting period, July 1, 2004 to June 30, 2005. Retroactive degrees must be clearly noted. The retroactive date (that is needed to determine the appropriate retroactive award category), name of the recipient, conferral date and award must be included with the required list of degree recipients.

A "sample" format for reporting retroactive degrees is attached. (Attachment 1)

We encourage you to submit electronic text or Excel files containing the necessary degree recipients information on disk or by email. Printouts in the format described above will be accepted and should be forwarded to the Office of Research and Information Systems. Degree recipient lists submitted in formats other than that described above cannot be processed, and will be returned to the institution.

Certification

(1) The Chief Executive Officer must sign form NYSED-2; (2) the Institution seal must be affixed; and (3) the form must be notarized. To be complete, the notarization requires one of the following: Notary Seal or Notary Stamp, or the Notary's Official Registration Number. Forms submitted without these three certification requirements will be returned to the institution. Currently the only method of satisfying these requirements is on a paper submission of form NYSED-2. Institutions are encouraged to produce their paper copy after completing our electronic Access form and following the instructions in the Access application. This procedure will assure that the electronic and paper copies are identical. Both the electronic form and the paper form should be submitted to ORIS.

Form submission

The NYSED-2 form including notarized signature and institution seal, and the required Degree Recipient lists, should be submitted to:

NYS Education Department
Office of Research and Information Systems
Room 960 Education Building Annex
Albany, New York 12234

This hard copy should be printed from your completed Microsoft Access version of the form after downloading it from the ORIS website and following the imbedded instructions.

DEADLINE: August 1, 2005

If you have any questions about completing the form, need additional blank copies, or anticipate a delay in returning the form, please call (518) 474-5091, or e-mail ORIS at HEDS@mail.nysed.gov. If you anticipate a delay in returning the form and require an extension to

the August 1, 2004 due date, please contact us in writing via fax (518) 474-1907, e-mail, or U.S. mail, stating the reason for the delay and the anticipated date of submission. You will receive a pertinent response in writing.

If it is necessary to submit corrected or revised data after the initial form has been submitted, the adjusted version must follow the same certification requirements as the original submission. Revisions received after December 31, 2005 cannot be processed.
