REQUEST FOR PROPOSALS FOR A SPEECH-LANGUAGE AND BILINGUAL SPEECH-LANGUAGE PERSONNEL DEVELOPMENT CENTER

The New York State Education Department (NYSED) Office of Special Education will be issuing a Request for Proposals (RFP) for the establishment of a Speech-Language and Bilingual Speech-Language Personnel Development Center (SLPDC) to increase the number of New York State (NYS) certified teachers of students with speech and language disabilities (TSSLDs) and TSSLDs with bilingual education extensions for employment in New York City (NYC) Public Schools. Eligible applicants are NYS public or private institutions of higher education (IHEs) with registered graduate education programs leading to Speech and Language Disability certification, Local Education Agencies (LEAs), not-for-profit organizations, and for-profit organizations.

NYSED expects to issue the RFP in Summer 2019. The RFP will be posted on the NYSED website. This work is expected to begin January 1, 2020. NYSED will evaluate proposals on their alignment with the requirements established in the forthcoming RFP.

Final product requirements will be established in the coming weeks. NYSED will be soliciting proposals from eligible applicants to provide coursework leading to Initial and/or Professional NYS certification in Speech and Language Disabilities, including supervised clinical practicum placements (i.e., supervised clinical experience) for individuals residing or working in the NYC metropolitan area—including individuals who work full-time and need to complete program requirements in the evening and/or on weekends—to prepare them for work in NYC Public Schools.

The requested services may include: recruitment of new candidates, providing coursework leading to certification in Speech and Language Disabilities and Speech and Language Disabilities with bilingual extension, providing scholarship monies, and providing clinical practicum supervision.
