

NEW YORK STATE EDUCATION DEPARTMENT OFFICE OF HIGHER EDUCATION EDUCATOR PREPARATION NEWSLETTER

JANUARY 2021

The Office of Higher Education (OHE) newsletter describes the current and upcoming activities related to higher education, with a particular focus on the preparation of educators. This newsletter, past newsletters, and a subscription link are available online on the [OHE website](#).

NEW CHANCELLOR

The Board of Regents has elected Dr. Lester W. Young, Jr. as Chancellor. In this role, he will lead and serve as the presiding officer of the Board. He has more than 50 years of experience in public education, and is the first African American to serve as Chancellor. He began his career with the New York City Department of Education (NYCDOE), holding positions that include teacher, guidance counselor, principal, and Supervisor of Special Education. Dr. Young also served as Assistant and Associate Commissioner with the NYSED (1988- 1993) and led the Department's efforts in New York City. He was appointed to the position of Community Superintendent, CSD 13 in 1993, and was appointed Senior Superintendent (coordinating services in four Central Brooklyn Community School Districts) in 2000. After retiring from the NYCDOE in 2004, he held the position of Visiting Professor at Long Island University, Graduate School of Education, Brooklyn Campus through 2008. Dr. Young has served as a Regent member since 2008. He earned an Ed.D. from Fordham University and M.S. degree from Brooklyn College. Additional information about Dr. Young's many accomplishments and activities are described in a [news release](#).

NEW SCHOOL COUNSELOR PROGRAM APPLICATION DEADLINE APPROACHING

Institutions planning to prepare school counselor candidates who are starting their program in Fall 2021 and later must register new programs leading to Initial and/or Professional School Counselor certification. These new programs must be designed to meet registration requirements listed in [section 52.21\(d\)](#) of the Commissioner's regulations.

The Department has developed a new program proposal registration application to register new school counselor programs. The proposal application and related guidance can be accessed [online](#). The proposal application should be submitted to the Office of College and University Evaluation (OCUE) by March 1, 2021 to ensure review and registration of the program in time to offer these programs to new candidates entering in Fall 2021. Questions regarding the proposals can be sent to OCUE at: OCUEINFO@nysed.gov.

PARTICIPATING IN THE TEACHING IN REMOTE/HYBRID LEARNING ENVIRONMENTS PROGRAM

In July 2020, the New York State Education Department (NYSED) was awarded funding through the United States Department of Education's Rethink K-12 Education Models Grant to implement the Teaching in Remote/Hybrid Learning Environments (TRLE) program. The purpose of the program will be to build the capacity of teachers and educational leaders to effectively implement remote/hybrid learning for all students. The full program narrative is posted [online](#).

NYSED has partnered with the SUNY Stony Brook Center for Teaching and Learning in Community (CTLC) to collect teacher input and feedback regarding the tools and skills educators need to adapt their practice and work with students in a remote/hybrid learning environment. In addition to providing professional learning opportunities to educators, TRLE will also develop a NYS Framework for Quality Remote/Hybrid Teaching (QRT) based on action-research conducted during the project's initial phase, aligned with NYS Teaching Standards, and including the six core competencies that are currently driving TRLE professional learning:

- Shifting to Teaching Online
- Engaging Families as Partners in Remote/Hybrid Learning
- Meeting the needs of SWDs through Remote/Hybrid Learning
- Meeting the needs of ELLs/MLLs through Remote-Hybrid Learning
- Integrating Culturally Responsive-Sustaining Education (CRSE) in Remote Learning Environments
- Integrating Social Emotional Learning (SEL) in Remote Learning Environments.

Partnering with institutions of higher education to integrate the QRT into preservice training and graduate programs for teachers and educational leaders will be a priority during the final phase of the project.

The TRLE project leadership team and evaluation partners will be seeking ongoing input from the field throughout the three-year life of the grant. Focus groups and interviews will be the primary method for obtaining information regarding classroom practices in remote/hybrid settings. The TRLE Advisory Board, consisting of a variety of stakeholder representatives, will provide regular feedback to the project leadership team to help meet the objectives of the grant. Faculty members working in educator preparation programs would be ideal participants for both input groups. If you are interested in participating, please email TRLE Project Coordinator Paul Cardettino at paul.cardettino@nysed.gov.
